

Trauma Informed Care 102

2020 Dates

- March 12
Stephen Center
- September 24
Community Engagement Center

All trainings are held from
9:00am to 4:00pm with a 1-
hour lunch

Description

This training focuses on the staff challenges and successes of implementing TIC 101 strategies and how to add new TIC tool kits to your practice!

Participants will acquire these skills and elements of trauma informed care:

- Formulate management of personal nervous system distress in the face of client's trauma responses
- Further develop personal acute safety/compassion care plans
- Utilize de-escalation strategies to build safety-calming-connectedness in the milieu
- Develop customized concrete processes for healing and recovery
- Apply specific pro-social engagement behaviors to field work

Target Audience:

All Homeless Serving Agencies, Employees, and Volunteers who attended Trauma Informed Care 101.
